KM 72 Highway 19 - Todos Santos - Baja, Mexico

Within Mexico: 624-184-4652 - from the U.S. and Canada: 702-491-2021

Location and Directions

From the Los Cabos airport, take the toll road (to your left as you exit). The toll road bypasses the corridor and Cabo San Lucas, coming out on Highway 19. Follow the signs for Todos Santos. Continue north on Highway 19 about 15 minutes to kilometer marker 73. About 15 seconds after you pass the km 73 marker, you will turn left at the dark red wall with the sign "Rancho Nuevo." Enter through the gate; you are now on a forked dirt road. Veer left and drive to the end of the road where the ocean is directly in front of you. The Villa del Mar is immediately to your left with an 8-ft. wall surrounding the property. If you are renting the Vista del Mar, drive to the third set of gates, which should be open for you. There is a "Baja Beach Getaway" sign on the wall. You've arrived!

If you want to buy groceries on the way, take the Cabo San Lucas exit off the toll road. After you pay your toll, follow the Todos Santos signs to Highway 19 and turn right. About three blocks up on the left is Mega Store. This is a good place to purchase groceries, as it has a protected turn traffic signal. Turn left to get back onto Hwy. 19 and travel north to the KM 73 marker, and proceed as above.
